DETAILED ACTION

Drawings

1. The replacement sheet of the drawings Figure 1 was received on 11 April 2007.
The change has been approved.

Allowable Subject Matter

2. Claims 1-22 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art of record does not disclose or make obvious a method for retrieving and modifying data elements on a shared medium using a shared medium controller including executing transactions stored in a queue and determining and changing a state associated with the data elements, the state being stored in the shared medium controller, in combination with all the limitations recited in claims 1 and 12.

Claims 2-11, 13-22 being further limiting and definite are also allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Sicola et al (US 2004/0044865) teach method for transaction command ordering in a remote data replication system.

Skazinski et al (US 6,247,099) teach maintaining cache coherency and data synchronization in a computer system having multiple active controllers.
